**To: All Participants with Life Insurance Coverage under Johnson County's 457  
Deferred Compensation Plan**

You have been identified as a participant who has existing life insurance coverage under the Johnson County Deferred Compensation Plan. While your life insurance coverage will be retained following the transition to ING, you will notice a few changes. This letter will provide you with additional information on how your life insurance will be handled on an ongoing basis.

- Your life insurance coverage, offered to you by Monumental Life Insurance Company ("Monumental Life"), will be retained as is following the transition. There will be no change in the value of your policy, its face amount, premium payments or cash value.
- ING will continue to remit a portion of your Plan contributions to Monumental Life to maintain your life insurance coverage.
- You will receive a separate (annual) statement from Monumental Life reflecting your life insurance values. In addition, they will continue to be responsible for ongoing servicing of your policy.
- Any questions with respect to your existing policies should be directed to Monumental Life at (800) 618-1698.
